Visit us on-line at <http://www.victorhills.com> select the "Members link"

Welcome Members:

The officers and board members of the Victor Hill's Golf Association (VHGA) would like to welcome you to another year of golf at Victor Hills. VHGA serves as a focal point for member's activities. Membership in VHGA is available to all members of Victor Hills.

Please see the dues remittance form. Payment of dues entitles VH Members to:

- 1) Maintain a USGA System Handicap Index.
- 2) Play in the Tuesday Night's Men's league or Thursday Night's Women's league.
- 3) Be eligible to play in the Men's Rochester District events or the Women's Rochester District events and the Ladies Lake Country events.
- 4) Play in the VHGA sponsored tournaments (list included in Calendar of Events below).
- 5) Play in the Club Championship.

This year, on the remittance form for your VHGA dues, we are again asking for your e-mail address so that we can, in the future, send the newsletter to you (as well as the remittance form) and to remind you of the tournaments. Dues this year are increasing again as per the RDGA: \$27 per renewing VHGA member and \$32 for new VHGA members.

Juniors are Free. The additional \$5 for new members is used to fund any new computer equipment when needed. If you have any questions, please feel free to ask a member of the VHGA Board.

Please do not combine any league payments with your VHGA payments; and it is really helpful if you include a remittance form with your check. Thanks!

WE NEED YOU!

If you are interested in being on the VHGA Board or in attending the VHGA Spring Board Meeting, please contact Donna Muto (585-301-1451)

Your Handicap

Your handicap index is a measure of your scoring capability. Calculation of your handicap index is in accordance with USGA Handicap Procedures and Standards. However, the accuracy depends upon you!
-You must post all scores played on any course, both 9 and 18 holes. This includes league and non-league events played at any course, not just Victor Hills
-All scores must be adjusted for 'Equitable Stroke Control' which means that based upon your handicap there is a maximum # of strokes you can take on a hole:

<u>Course Handicap</u>	<u>Max Stroke per hole</u>
9 or less	double bogey
10-19	7
20-29	8
30-39	9
40	10

-All scores must be posted in a timely fashion
-If you play 13 or more holes, you would record a score for handicap purposes by adding to the number of strokes played the total of par plus any handicap strokes that you would receive on unplayed holes.
-If you make a mistake in entering a score in the computer, simply make a note on the clipboard form on the computer desk.

-Any questions? Contact either member of the Rules & Handicap Committee: Ralph Davis, MaryEllen Anderson or John Mulac.

Your Friend's Handicap!

Have a friend who is not a member of a club but wants to play in RDGA events and obtain a GHIN Handicap? See RDGA website for "RDGA Club".
